Property Description

Brand new contemporary apartments in Aloha, Nueva Andalucia. We have on offer a selection of 15 different 2 bedroom apartments on offer in this superb already well established development in Aloha. The location is most sought after and is very popular due to the fact that there are lots of shops, restaurants, bars and cafes in this area, it is close to the port, town and beaches of glamorous Puerto Banus. This nice thing about this area is that it is also surrounded by an area of forests, the Turtle Lake, and a huge variety of golf courses such as Aloha, Los Naranjos, Las Brisas, Magna Marbella and more. Malaga airport is a mere 40 minute drive away. The properties that we have on offer are locted in the last phase of the development which has just been launched and the properties are brand new and never lived in. The urbanisation has several swimming pools and each individual property has an allocated numbered parking space located just a few meters away. The kitchens are modern and fully fitted with appliances. The living area either has a private terrace or garden depending on whether the property is located on the ground fl...
