Very large one bedroom apartment in a traditional community on the fringe of San Pedro. Hugely popular with foreign buyers looking for a no frills property as a sunshine bolt hole. The property has two bathrooms and has a second bedroom that has been created from part of the expansive terrace that offers golf views. With a lounge/ dining room way above normal proportions and a family sized kitchen this is a very interesting option. The apartment is liveable but would benefit from some updating and so creating a very astute long term investment. Very low ownership costs.
